500+ Masters

Built by Scholars, Led by Industry *Practitioners*

At Masters' Union, your classroom is powered by Ivy League academics and global business leaders — from Harvard to McKinsey, from Wharton to Google. Our Masters don't just teach the playbook. They wrote it.

The Industry Is *Your Faculty*

Across sectors and disciplines, our Masters bring decades of real experience into every session. Because the best way to learn an industry is from the people running it.

Thrive with Real-time Access to 500+ Mentors

- 1 Our mentorship platform, provides access to **500+ mentors** for instant support
- 2 Prep for interviews, get feedback on your startup or find emotional support
- 3 Mentors are available, in most cases, **within an hour** for calls or meet-ups
